Respect Life Baby Bottle

St. Lawrence School is partnering with the Archdiocese of Miami - Respect Life Ministry to promote a culture of Love and Life!

Starting October 17th - November 18th 2022, students will be participating in a "Baby Bottle Campaign" to assist some of the most vulnerable among us - pregnant moms, new moms and their babies.

Each child will take home a bottle to fill with loose change, cash or checks (made payable to Respect Life Ministry).

Classes will be competing for rewards. This is an Archdiacesan-wide event, and there will be incentives for the school that raises the most money! Once the bottle is filled they should return it to their homeroom teacher, no later than November 18th.

Thank you for your efforts in supporting this Ministry.

PracticingKindnes

As a parent, you can help your child foster feelings of empathy and help them to become a socially responsible and kind person.

The best way to encourage kindness is by modeling acts of kindness and celebrating every moment of kindness that your child is involved in.

The mission of St. Lawrence Catholic School is to provide a well-rounded education to students grades Pre-K - 8 in a caring environment in which Catholic faith and learning grow hand in hand.
