CHURCH RENOVATIONS

It is such a blessing to have celebrated our first school mass at the church this week with the brand-new floors! We ask that you keep in your prayers the generous donor who made it possible for God's temple to be upgraded and beautified a little more.

TERRA NOVA

We are happy to announce that we have successfully completed Terra Nova testing. Yay! We are now waiting for the results, and we are confident our students truly tried their best and the results will be phenomenal.

Parent reports will be sent out once they are available and we will host an informational meeting on how to read these reports. (More information to follow).

CONGRATULATIONS

We would like to congratulate our awesome 6th & 7th grade SLS Lions who attended the Chaminade Madonna Academic Olympics on March 2nd with the company of the amazing Mr. Souza.

They brought home the following wins:

- 1st Place in the Small Schools Division
- 1st Place for Spanish
- 3rd Place for Music

We are so proud of everyone who participated!
