

SLS “Bring a Friend” Campaign for Recruitment Continues

For the past few years, everyone has been helping to recruit new students to our unique & wonderful school. Happily, our efforts have brought many new members to our St. Lawrence Family. I am happy to report that the school is once again running within its budget this year, with the anticipated success of our remaining fundraisers.

For the past few years, the school has been working toward expanding, upgrading, and repairing the plant’s infrastructure and acquiring additional educational materials & technological equipment. We’ve been pleased to expand our technology and to enrich the curriculum with on-line learning and project-based learning experiences, pull-out programs, and additional clubs and sports. We will continue our focus on developing applied reading and math skills, using technology in every classroom, and on improving our play areas.

We encourage EACH FAMILY to participate in our “BRING A FRIEND” CAMPAIGN, increasing our student enrollment such that we can continue to improve our academic curriculum, to continue technology upgrades, to increase faculty salaries, and to repair infrastructure. Remember, **if you bring a new, qualifying family to the school that stays for a year, you will receive a credit of \$500 the following year!* You win, and the school does, too!**

A postcard and a recruitment flyer are attached. Please give them to family, friends, and co-workers and share why you love SLS. Please come to the office if you need more postcards. OPEN HOUSE DATES for NEW STUDENTS are: SUNDAY, MARCH 10 from 1:30 – 2:30pm; THURSDAY, APRIL 11 from 4:30 – 6:00pm; and THURSDAY, MAY 9 from 1:30 – 2:30pm. Recommend that they come “SEE THE DIFFERENCE” at St. Lawrence School for themselves.

Our faculty and staff *truly* understand the sacrifices your family makes to provide your children with **THE BEST CHOICE – A Catholic Education at St. Lawrence School**. Here, values are lived daily, healthy social relationships are encouraged, and a strong foundation is built for a lifetime of success. **Did you know that 94% of Catholic school graduates pursue higher education degrees, and that prestigious colleges seek Catholic school graduates?**

A Catholic education at St. Lawrence School is a decision that will last a lifetime!

As our school motto states, we are a school where Catholic faith and learning grow hand in hand. Together, we work hard to help every child develop his/her God-given talents, strengths, and interests, and to provide a safe, supportive, NO PLACE FOR HATE zone, developing Catholic values and ethics. **Our school IS a second home & we ARE a family.** We want you to know that we sincerely appreciate all the efforts you make to contribute to our school family!

*New families must complete the required forms for documentation of referral and return them directly to the school office for verification.
